

32nd CAEOP Annual Conference

CAEOP (Connecticut Association of Educational Opportunity Programs) seeks proposals for the 32nd Annual Conference. Our association and its members have worked to provide support to students participating in educational opportunity programs like TRIO and GEAR UP programs. Both of these programs are dedicated to furthering the expansion of college opportunities for students from diverse populations such as low income, first-generation students, and students with disabilities. Our goal for this conference is to further our members’ knowledge of current higher education topics that relate to our theme “Celebrate Diversity in a World of Change”.

We are hoping to establish sessions as early as possible, so that we can maximize the collaborative opportunity. Please consider sharing your ideas by submitting a proposal in the form of workshops, presentations, or panels. Each session will last 60 minutes.

Submitting a Proposal

1. Consider your topic, its connection to the theme, and what you want your audience to take away from your session.
2. Consider your session format, target audience, and A/V needs.
